

CAPABILITY STATEMENT: HEALTHCARE CONSULTING

Taki Medical Consultants, LLC specializes in policy and global healthcare strategies in the public and private third-party payer reimbursement arena. Our consulting services focus on assessing the complex payer market across all major segments that may be hindered by reimbursement, policy, and cost issues. We analyze healthcare trends related to the Affordable Care Act, Accountable Care Organizations and Marketplace Insurance Exchanges that may impact access to quality care. Taki Medical Consultants are subject matter experts on the legislative process for local and national insurance agencies tailored to optimize the coding, coverage, and payment process.
